DEPARTMENT OF COLLEGIATE AND TECHNICAL EDUCATION, GOVERNMENT OF TELANGANA.

The department is the Nodal Point in the policy making, promoting Collegiate & Technical Education, by giving special attention to the backward and rural areas, and women education at Under Graduate and Post Graduate level. The Department also contributes towards a major share in the overall education system, which is imparted at various levels in the state of Telangana.

The main activities are planning, supervising and motivating all the Higher Education Institutions under its purview, and to transform the students as knowledgeable, employable and responsible citizens. The Department assures either self employment or wage employment. It Maintains and Promotes higher standards in all the academic institutions by taking steps to fulfill global benchmarks enshrined the international covenants to raise the status of HEIs.

JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY, HYDERABAD, TELENAGANA.

Jawaharlal Nehru Technological University, Hyderabad, was established on 2nd october 1972 by the Legislature of the State of Andhra Pradesh as the first Technological University in the country. It has been in the forefront for the past 44 years in providing quality technological education of relevance in the State of Andhra Pradesh. After 36 years of existence it was restructured into 4 different Universities by the Government, this new University has been designated as Jawaharlal Nehru Technological University Hyderabad (JNTUH).

JNTUH has now 4 Constituent Engineering Colleges and 15 other constituent units on Hyderabad campus. JNTUH has 423 affiliated colleges spread over the Telangana State. JNTUH has more than 3.50 lakhs students on rolls. The University has Memoranda of University with many national and international organizations.

INSTITUTE FOR ACADEMIC EXCELLENCE HYDERABAD, TELANGANA.

Institute for Academic Excellence (IAE), established to provide advisory services to Higher Educational Institutions (HEI) of India to become top performers in their fields and to raise their profiles on a global scale. Suggest strategies, methods to develop best practices to improve the academic performance and enhance the institution's reputation among stakeholders.

Institute for Academic Excellence (IAE) in collaboration with Collegiate Education & Technical Education Department Government of Telangana has been conducting the National Level Workshops for the HEI's and Health Science Institutions on NIRF India Rankings, NAAC Accreditation Process and Curriculum Framework topics very successfully since 2019.

CAPACITY DEVELOPMENT PROGRAM FOR ACADEMIC LEADERS & ADMINISTRATORS

Preparing Present & Prospective Academic Leaders & Administrators for future leadership roles, such as Vice Chancellor, Director and Principal of Higher Educational Institutions and Universities.

In the present scenario of Internationalization of Higher Education, the Institutional Governance of University / Higher Educational Institution needs a new and forward looking vision for implementing the significant recommendations of National Education Policy (NEP) 2020, like promoting multidisciplinary education, introducing the Multiple Entry and Exit System etc.

Capacity developing factors like Institution Leadership style and strategies, decentralization of power and delegation of responsibility, management control, communication strategies, team building, developing industry collaboration, technology excellence and adoption, financial planning and management and student career development etc., creates distinction among institutions.

Program Themes, Methodology & Mode

The program intends to create awareness among the Academic Leaders and Administrators of Higher Education Institutions on the best practices in managing the HEI, and to inform them on the futuristic skills required to face the challenges in the higher education landscape.

- ▶ Present the overview of Higher Education in India, National Priorities and International Context.
- ▶ Create an opportunity for peer networking and Institutional Collaboration.
- ▶ Facilitate Higher Education Leaders to competently deal with the Leadership Challenges.
- ▶ Explore Technologies for deeper engagement to bring in Performance Culture and Efficiency.
- ▶ Facilitate Innovation and Creativity in Teaching and Learning, and Overall Effectiveness of the Institutions.
- ▶ Take the Educational Institutions to newer heights by providing visionary Leadership.
- ▶ Tap the Innovative Ideas of Academic Professionals and Leaders on various issues.

Program Highlights

- ▶ High impact Interactive Sessions.
- ▶ Opportunity to share Case Study Experiences.
- ▶ Networking and Collaboration.
